Shooting Sports, Golf & Hiking

Sporting Clays

Participants may walk or drive along wooded paths to artfully constructed shooting pavilions with challenging prospects on a variety of open fields with diverse and rugged landscapes. Each shooting station, including open-air and covered positions, has 6 lay throwers which are strategically and regularly moved ensuring shooters a variety of ever-changing – always challenging experiences with each visit. Options for 19-stations, 10-stations or a 5-stand course.

Indoor Shooting Range

Home to America's longest indoor automated range with programmable target retrieval systems and lanes over 150 yards. The Range is truly the ultimate shooting experience, with 24 stations including rifle, pistol, archery, plus Firearms Training Simulation (FATS©).

Firearms Training Simulator (FATS©)

An entirely interactive system that uses a computer program, a large screen and real firearms that are loaded with compressed air, instead of ammunition. The instructor personalizes each scenario for the individual shooter and can increase or decrease the intensity of the situation to match the shooter's ability level, even as the situation progresses. Maximum of 4 participants per ½ hour. Children must be 12+ years old and accompanied by a parent or legal guardian. *Member discount does not apply.

Archery

Learn the art of bow and arrow in our top-of-the-line indoor range or outdoors on our property. Must be over 10 years of age to participate in adult archery; under 9 years of age must participate in Nerf Archery, unless requested otherwise from a parent or legal guardian. Nerf Archery is available as a fun, safe alternate introduction to archery for children 9 & under. -1 hr.

Axe Throwing

The modern sport of Axe throwing involves a competitor throwing an axe at a target, intending to strike a bullseye or as near to it as possible to accrue points. Axe throwing has historically been an event in lumberjack competitions. Today there are commercial locations throughout the world where participants compete, similar to dart throwing. -1 hr.

Golf

Experience golf on a championship course carved from an untamed American wilderness that challenges your skills and engages your mind. Designed by award-winning golf architect Robert McNeil and the Northeast Golf Company, our 18-hole, par 3 course, along with its hybrid cross country par 34 configuration, stand as two of the most challenging yet playable executive courses in the Northeast. Honoring the land's unspoiled character, the course's variety of tees test players at all skill levels. Winner of the American Association of Golf Architects' 2015 Design Excellence Award. Season starts March 21st and last until November 1st.

Golf Simulator Experience

Play a virtual round of 9 or 18 holes on any of the world's finest courses, or spend your time working on your drives at the various ranges. -1 hr.
